A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.
- (7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

LE gouvernement canadien s'étant informé auprès
du gouvernement italien, sur l'autorité des offi-
ciers consulaires italiens de recevoir des deniers adju-
gés par des tribunaux canadiens à des sujets italiens
non domiciliés au Canada, la réponse que contient la
dépêche ci-dessous a été reçue comportant que les offi-
ciers consulaires italiens sont autorisés à recevoir des
articles et deniers dus à des sujets italiens non domi-
ciliés au Canada :

*Du Secrétaire d'Etat pour les Colonies au Gouverneur
général.*

n° 874.

DOWNING STREET,
20 décembre 1912.

MONSIEUR,—J'ai l'honneur de transmettre à Votre
Altesse Royale, pour le renseignement de Vos Minis-
tres, les documents cités ci-dessous concernant le paie-
ment par les tribunaux canadiens de la compensation
et autres deniers adjugés à des Italiens non domiciliés
au Canada.

J'ai, etc.,

L. HARCOURT.

A l'Administrateur du Gouvernement
du Canada.

Consulaire, n° 33.

ROME, 9 décembre 1912.

MONSIEUR,—Au reçu de votre dépêche consulaire
n° 47 du 10 septembre dernier, au sujet du paiement
par les tribunaux canadiens de compensation et autres
effets adjugés à des Italiens non domiciliés au Canada,
M. Dering a adressé une note au gouvernement italien
dans le sens de la lettre du 21 août du Département
canadien des Affaires Extérieures.

En réponse à cette note le Ministre italien pour les
Affaires Etrangères dit que les officiers consulaires
italiens sont autorisés par les règlements consulaires de
recevoir des autorités locales ou du représentant de la
personne qui y a droit, les articles et deniers dus à des
sujets italiens non domiciliés dans le pays intéressé, et
que leur reçu est valide. La procédure suivie est que
les deniers sont transmis par l'officier consulaire au
Ministère italien pour les Affaires Etrangères et ce der-
nier le transmet aux autorités judiciaires compétentes
(ou au consul italien, à l'étranger, selon le cas), qui
effectue le paiement et obtient des reçus des personnes
intéressées ; ces reçus sont ordinairement déposés aux
archives du ministère, mais si la chose est désirée ils
peuvent être transmis aux autorités à l'étranger qui
ont opéré le paiement original. Ce dernier moyen est
fréquemment adopté dans le cas de petits héritages et
de compensation pour accidents à des ouvriers reçus
dans la Grande-Bretagne et quelques-unes de ses dépen-
dances, *e. g.*, l'Union Sud-africaine, par les consuls
italiens pour transmission aux héritiers en Italie.

Il est fait mention que le mode de transmission ci-
dessus indiqué est absolument sûr et que les personnes
auxquelles l'argent est dû n'encourent aucune dépense.
On admet que ce moyen est un peu long et l'on suggère
que si les chèques émis par les autorités canadiennes en
faveur des personnes qui y ont droit étaient employés
il y aurait moins de temps perdu sous ce rapport ;
d'un autre côté, les personnes qui reçoivent ces chèques
si elles demeurent dans des campagnes éloignées,
comme le cas se présenterait souvent, auraient de la
difficulté à faire changer les chèques.

Le Ministre des Affaires Etrangères termine en dé-
clarant que son ministère fera tout son possible pour
faciliter la transmission aux héritiers de toutes les
sommes qui seront confiées aux officiers consulaires
italiens par les autorités canadiennes.

MONSIEUR,—J'ai l'honneur de transmettre à Votre Altesse Royale, pour le renseignement de Vos Ministres, copie d'une dépêche du consul général de Sa Majesté à Buda-Pesth, attirant l'attention aux exigences des autorités hongroises au sujet des passeports et de la position qui est faite par la loi hongroise aux Hongrois naturalisés en pays étranger.

J'ai l'honneur d'être, de Votre Altesse Royale,

TRAITÉ No 4.

BUDA-PESTH,
25 novembre 1912.

MONSIEUR,—Relativement à l'article "Passport Requirements of Foreign Countries" dans la Liste du Foreign Office sous l'en-tête Autriche-Hongrie, je vois qu'il y est dit que pour des fins de résidence dans ce pays-là un passeport ou une autre preuve d'identité est nécessaire. Vu le grand nombre de personnes qui tentent de résider en Hongrie au delà de la période légale de 14 jours sans être munies de quelque preuve de leur nationalité ou d'identité, j'ose attirer votre attention au pouvoir que possèdent les autorités hongroises de demander cette preuve après l'intervalle mentionné. Les difficultés qui surviennent sont ordinairement au sujet des artistes de théâtre desquels les autorités policières exigent une preuve immédiate de nationalité. Il est rare que ces personnes possèdent des passeports ou autres preuves d'identité, et ordinairement le consulat général leur donnait un document disant qu'ils avaient prêté serment comme sujet britannique et que le consul général de Sa Majesté croyait leur déclaration véridique. Ce document est marqué comme n'étant valide qu'en Hongrie. Jusqu'à présent les autorités hongroises se sont contentées de cette pièce. Un certificat semblable est émis, lorsque nécessaire, dans le cas de gouvernantes, etc., mais ces dernières sont toujours invitées à produire leurs certificats de naissance, ce qui me permet d'émettre des passeports. Mais je doute que ce système soit satisfaisant. Assez souvent des personnes de cette catégorie se présentent ici, et dans certains cas, surtout s'il s'agit de personnes de couleur, il est presque impossible de dire si elles sont ou non des sujets britanniques.

J'ose suggérer que le paragraphe dans la liste du Foreign Office fasse savoir qu'il est très désirable que les artistes de théâtre qui visitent la Hongrie possèdent des passeports, et que tout sujet britannique qui séjourne plus de 14 jours en Hongrie peut être sommé par les autorités de produire une preuve de nationalité et d'identité. Un tel paragraphe éviterait, aux sujets britanniques qui viennent en ce pays, beaucoup d'ennuis et de désagréments.

Une autre question, je crois, mérite considération. D'après la loi hongroise les personnes naturalisées dans les pays étrangers ne perdent pas par là leur nationalité hongroise. La loi dit que les personnes qui résident à l'étranger sans interruption durant plus de dix ans perdent leur nationalité hongroise, à moins de prendre des mesures pour la conserver. Les dix ans comptent depuis le jour qu'ils quittent la Hongrie, ou, s'ils sont munis de passeports, depuis le jour où ces documents cessent d'être valides.

D'après les Instructions générales aux officiers consulaires de Sa Majesté dans le cas où une demande est faite à un officier consulaire pour un passeport par un sujet britannique qui est encore un sujet ou citoyen de l'État dans lequel cet officier exerce une juridiction consulaire, la demande doit être refusée et le requérant conseillé d'obtenir un passeport des autorités de cet État.

Or, d'après les concessions accordées par le gouvernement hongrois aux compagnies de navigation britanniques et autres, ces dernières sont empêchées de délivrer des passages partant de la Hongrie à moins qu'un passeport ne soit produit. Ceci s'applique également aux passages depuis Hambourg et autres ports européens émis par des compagnies ayant des agences en Hongrie. Il arrive assez souvent que des hongrois naturalisés au Canada visitent leur pays d'origine avant que les 10 ans d'absence se soient écoulés qui les affranchiraient de leur nationalité hongroise. Dans ces cas le Consulat général de Sa Majesté n'a pas la permission d'émettre des passeports à ces personnes, et il en résulte que ces personnes tant qu'elles n'ont pas obtenu de passeport hongrois, s'exposent à beaucoup d'ennuis et de perte de temps et d'argent. Les susdites personnes sont souvent de simples cultivateurs et ne connaissent aucunement les règlements des passeports en force en Hongrie, et s'imaginent que leur certificat de naturalisation va les affranchir du service militaire et autres difficultés, ce qui n'est pas le cas. De plus, quelquefois ils sont détenus pour remplir leur service militaire, et dans d'autres, même s'ils sont eux-mêmes exemptés, leurs fils sont obligés de rester en arrière ou de donner un cautionnement pour leur enrôlement subséquent comme recrues. Il est évident que s'ils comprenaient, comme le comportent leurs certificats de naturalisation, qu'ils ne pourraient pas être protégés par ce Consulat général, et le désagrément auquel les exposerait une visite en Hongrie, ils n'entreprendraient pas un voyage du Canada ou d'autre colonie britannique.

J'ignore si l'état des choses dont je parle est connu des gouvernements canadiens et d'autres possessions britanniques, et j'ose suggérer que s'ils ne le connaissent pas, il soit pris des mesures pour porter l'affaire à leur connaissance.

Il est à peine nécessaire de dire que les remarques que j'ai faites ne s'appliqueront qu'à la Hongrie et non à l'Autriche.

Le sujet britannique ordinaire est sous l'impression que l'Autriche et la Hongrie sont des termes synonymes.

J'ai etc.,

EVELYN GRANT DUFF.

Sir Edward Grey, Bart., C.J.,

ARRÊTÉS EN CONSEIL.

HOTEL DU GOUVERNEMENT À OTTAWA.

Jeudi, le 16e jour de janvier 1913.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 4 janvier 1913, que M. Joseph St-Germain a demandé la concession gratuite du lot n° 42, dans l'établissement de Shaftsbury, province d'Alberta, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des Indiens.

Le Ministre ajoute que la preuve soumise démontre que le requérant, par l'entremise de son agent, M. Charles St-Germain, occupait le terrain en question à la date de la conclusion du traité indien n° 8 à l'été de 1899.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe (c) de l'article 76 de la *Loi des terres fédérales*, il soit autorisé à concéder gratuitement à M. Joseph St-Germain le lot n° 42, dans l'établissement de Shaftsbury, province d'Alberta, contenant 152 acres plus ou moins.

Le comité soumet cette recommandation pour approbation.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

Jendi, le 16e jour de janvier 1913.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 7 janvier 1913 que M. H. T. Holness s'est établi sur un terrain non arpenté situé sur la rive nord de la branche nord du creek Sheep dans la réserve forestière des Montagnes Rocheuses, dans la province d'Alberta, avant l'établissement de cette réserve, dans l'attente que ces terres seraient finalement arpentées et ouvertes aux colons, et qu'il pourrait obtenir l'inscription de homestead pour un quart de section. M. Holness représente que les fonctionnaires du ministère de l'Intérieur l'ont assuré que l'inscription de homestead lui serait accordée dès que ces terres seraient arpentées; qu'il a fait des améliorations considérables sur ce terrain, soit une maison, une étable, des clôtures et des travaux de défoncement; qu'il y a résidé depuis 1907 et que si la réserve n'avait pas été établie, il aurait maintenant droit aux lettres patentes de ce terrain.

Le Ministre ajoute que ce terrain pouvant avoir une valeur considérable pour l'emmagasinage de l'eau, il ne croit pas sage d'en déposséder la Couronne et, par conséquent, des négociations ont été ouvertes avec M. Holness pour s'assurer à quelles conditions il céderait les droits à ce terrain qu'il peut avoir acquis. M. Holness a consenti à céder ses droits au terrain en question sur paiement d'une somme de \$1,600, soit \$10 l'acre, avec la permission de s'inscrire pour un homestead d'un quart de section de terres fédérales ailleurs disponibles et d'en obtenir les lettres patentes sans être tenu à l'accomplissement d'autres obligations de homestead.

Le Ministre recommande que cette convention soit approuvée et demande l'autorisation de payer à M. Holness la somme de \$1,600 tirée du crédit pour la protection des forêts dans le Manitoba, la Saskatchewan, l'Alberta, etc., et d'accorder à M. Holness les lettres patentes d'un quart de section de terres fédérales disponibles dès qu'il aura cédé les droits qu'il peut avoir au terrain sur lequel il est établi.

Le comité soumet cette recommandation pour approbation.

ATTENDU que demande a été faite au nom de la ville de Waterous, dans la province de Saskatchewan, de la concession de la subdivision légale fractionnaire 1 et 2 de la section 10, township 32, rang 25, à l'ouest du 2e méridien, pour les fins d'un parc;

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée, le terrain en question étant disponible d'après les archives du ministère de l'Intérieur,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions du paragraphe (d) de l'article 76 de la *Loi des terres fédérales*, de décréter que les subdivisions légales fractionnaires 1 et 2 de la section 10, township 32, rang 25, à l'ouest du 2e méridien, contenant 23.90 acres, ainsi qu'indiqué en couleur rose sur le plan ci-annexé, soient mises en réserves et affectées aux fins d'un parc, et d'en autoriser la concession pour les dites fins à la ville de Waterous, dans la province de Saskatchewan, l'acte de cession devant contenir la condition que ce terrain retournera à la Couronne si, en aucun temps, le concessionnaire, ses successeurs ou ayants droit ne l'affecte pas aux fins susdites.

SON ALTESSE ROYALE EN CONSEIL.

ATTENDU qu'il a été déposé au ministère de l'Intérieur une copie certifiée d'un arrêté du lieutenant-gouverneur du Manitoba en conseil n° 19749, daté le 25 octobre 1912, demandant au gouvernement du Canada de mettre en réserve le terrain requis pour un chemin public traversant le quart sud-est de la section 30, township 23, rang 4, à l'est du méridien principal;

Et attendu qu'en vertu de l'article 13 du chapitre 99 des Statuts révisés du Canada, le lieutenant-gouverneur du Manitoba en conseil peut, du consentement du Gouverneur en conseil, lorsqu'il est jugé opportun de le faire dans l'intérêt des établissements et de la colonisation, ordonner que des chemins soient ouverts sur les terres non couvertes par des patentes, qu'elles soient occupées ou non, et soit que ces terres aient ou non été prises comme établissements, par préemption, ou mises à part ou réservées au profit ou à l'usage de qui que ce soit; et ces chemins peuvent ensuite être transférés par le Gouverneur en conseil à la Couronne pour la province;

Et attendu que le quart sud-est de la section 30, township 23, rang 4, à l'est du méridien principal, dans la province du Manitoba, n'est pas couvert par une patente,—

Par conséquent, il plaît au Gouverneur général en conseil d'autoriser par ces présentes le Ministre de l'Intérieur d'y mettre en réserve le terrain compris dans le chemin public, ainsi qu'indiqué sur le plan et décrit dans le règlement 35 de la municipalité rurale de Bifrost, adopté le 12e jour d'octobre 1910, qui accompagnait la copie de l'arrêté du lieutenant-gouverneur du Manitoba en conseil mentionnée ci-dessus, savoir, un terrain décrit comme suit :

Commençant au coin sud-ouest du dit quart de section; de là vers le nord le long de la borne ouest du dit quart de section sur une distance de 40 chaînes, plus ou moins, jusqu'au coin nord-ouest du dit quart de section; de là vers l'est le long de la borne nord du dit quart de section sur une distance d'une chaîne; de là vers le sud parallèlement à la dite borne ouest, sur une distance de 40 chaînes, plus ou moins, jusqu'à l'intersection de la borne sud du dit quart de section; de là vers l'ouest le long de la dite borne sud sur une distance d'une chaîne, plus ou moins, jusqu'au point de départ, le dit terrain couvrant une superficie de quatre acres plus ou moins.

Il plaît de plus au Gouverneur général en conseil, en vertu des dispositions de l'article 13 du chapitre 99 des Statuts révisés du Canada, 1906, et d'après le rapport du Ministre de l'Intérieur, de décréter que le dit chemin public, ainsi que ci-dessus décrit, soit transféré à la Couronne pour la province du Manitoba.

Il a été représenté au Ministre que les

autorités provinciales ont décidé d'établir dans la province un certain nombre de ces stations aux endroits qui conviennent le mieux aux cultivateurs, pour démontrer ce qu'un cultivateur d'intelligence commune peut faire avec un capital ordinaire. L'intention est aussi de faire à ces stations de démonstration les expositions d'été, les expositions de graines de semence et les concours d'appréciation du bétail ;

LE Ministre de l'Intérieur représente, le 5 novembre 1912, qu'en vertu des dispositions de la Loi d'irrigation l'autorisation a été donnée à MM. John E. Enright et James S. Strong, de East End, Saskatchewan, de faire certains travaux pour le détournement de l'eau de la rivière Frenchman, dans le township 6, rang 22, à l'ouest du 3e méridien, pour des fins d'irrigation, et qu'en vertu d'arrêtés en conseil datés le 5 novembre 1907, le 29 juillet 1909 et le 29 octobre 1910 certaines terres ont été vendues à MM. Enright et Strong pour le dessèchement au moyen de l'irrigation, la superficie totale des terres ainsi vendues étant de 6,158.65 acres, dont 2,868 acres doivent être irrigués.

Le Ministre ajoute que dans les limites du terrain vendu à MM. Enright et Strong pour des fins d'irrigation se trouve une partie du quart sud-ouest de la section 32, township 6, rang 21, à l'ouest du 3e méridien, qui avait été jusqu'à récemment réservé à l'usage de la police à cheval du Nord-Ouest à East End, Saskatchewan. Toutefois, à l'exception du quart sud-ouest de la subdivision légale 4 de la dite section 32, ce terrain a été soustrait de la réserve. Le reste de ce quart de section borde le principal canal d'irrigation construit par MM. Enright et Strong, et une étendue considérable peut en être irriguée par le dit canal.

MM. Enright et Strong ont fait une demande d'acheter le quart sud-ouest de la dite section 32, qu'ils veulent inclure dans leur projet d'irrigation.

Par conséquent, le Ministre recommande que la quart sud-ouest de la section 32, township 6, rang 21, à l'ouest du 3e méridien, sauf le quart sud-ouest de la subdivision légale 4 de cette section, soit vendu, conformément aux règlements concernant l'irrigation, à James Carey Strong et Denham Norreys McLean, administrateur de la succession de feu John Edward Enright, au prix de \$3 l'acre, le quart de la somme payable dans les soixante jours qui suivront la date de la vente et le reste, ainsi que l'intérêt au taux de cinq pour cent par année, lors du parachèvement des travaux. Une des conditions de la vente est que les travaux d'irrigation seront parachevés à la satisfaction du Ministre de l'Intérieur avant que les lettres patentes du terrain vendu soient accordées, et que si à la fin du délai accordé pour le parachèvement des travaux d'irrigation les dits travaux ne sont pas terminés le contrat de vente de ces terrains peut être annulé et tout acompte payé ou travaux d'irrigation exécutée peuvent être confisqués par la Couronne.

Le comité soumet cette recommandation pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |

| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'ob

Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommiss ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

Greffier de la Chambre des Communes.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. (a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelquel effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

DEPARTMENT OF EXTERNAL AFFAIRS.

14th January, 1913.

AN enquiry having been addressed, at the instance of the Canadian Government, to the Government of Italy, as to the authority of Italian Consular Officers to receive moneys awarded by Canadian Courts to Italian subjects not resident in Canada, the reply contained in the following despatch has been received to the effect that Italian Consular Officers have such authority to receive articles and money due to Italian subjects not resident in Canada :—

From the Secretary of State for the Colonies to the Governor General.

Reference to previous despatch Governor General, No. 465, 23rd August.

CANADA, No. 874.

DOWNING STREET,
20th December, 1912.

SIR,—I have the honour to transmit to Your Royal Highness, for the information of Your Ministers, the papers noted below on the subject of the payment by the Canadian Courts of compensation and other awards to Italians not resident in Canada.

I have, &c.,

L. HARCOURT.

The Officer administering the Government of Canada.

No. 39 Consular.

ROME, 9th December, 1912.

SIR,—On receipt of your despatch No. 47 Consular of the 10th September last, on the subject of the payment by the Canadian Courts of compensation and other awards to Italians not resident in Canada, Mr. Dering addressed a note to the Italian Government in

the sense of the letter of August 21 from the Canadian Department of External Affairs.

In reply to this note the Italian Minister for Foreign Affairs states that Italian Consular Officers are authorized by the consular regulations to receive from the local authorities, or from the representatives of the person entitled to them, articles and money due to Italian subjects not resident in the country concerned, and that their receipt is valid. The procedure followed is that the money is transmitted by the Consular officer to the Italian Ministry of Foreign Affairs, which hands it over to the competent judicial authorities (or to the Italian consul abroad as the case may be), who effect the payment and obtain receipts from the parties concerned; such receipts are usually lodged in the archives of the Ministry, but if it is so desired they can be transmitted to the authorities abroad who made the original payment. This latter course is frequently adopted in the case of small inheritances and of compensation for accidents to workmen received in Great Britain and some of her dependencies, e.g. the Union of South Africa, by Italian Consuls for transmission to the heirs in Italy.

It is pointed out that the method of transmission outlined above is an absolutely safe one and that no expense whatsoever is incurred by the persons to whom the money is due. It is admitted that it takes some time and it is suggested that if cheques, made out by the Canadian authorities in favour of the person entitled, were used there might be some saving in this respect; on the other hand the recipients might, if residing in remote country districts, as would usually be the case, find it difficult to get the cheques cashed.

The Minister for Foreign Affairs concludes by stating that his Department will do everything in its power to facilitate the transmission to the heirs of any sums entrusted to Italian Consular Officers by the Canadian authorities.

I have, &c.,

[Signed] R. RODD.

Sir E. Grey, Bart., K.G., M.P., &c..

28-4

[1895]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 3rd day of October, 1911.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Minister of the Interior states under date 3rd August, 1911, that authority has been granted under the provisions of The Irrigation Act to the Southern Alberta Land Company, Limited, to construct a system of irrigation works taking water from Bow river at a point on the southeast quarter of Section thirty-one, Township twenty-one, Range twenty-five, west of the Fourth Meridian, and that, pursuant to such authority, the said company has surveyed and partly constructed a canal from the said point of intake to and across the tract of land to be irrigated ;

The Minister observes that by authority vested in him by section 54 of The Irrigation Act, regulations have been made for granting free right of way for irrigation canals and ditches, such right of way to include, in addition to the width of the canal or ditch, a marginal strip not exceeding twenty feet on one side and ten feet on the other side of the said canal or ditch, to give access to the same for purposes of operation and repairs ; provision having also been made in the said regulations for granting a greater width, not exceeding ten acres in all, when such shall be shown to be necessary for the effective operation of the irrigation system ;

Owing to the size of the canal now under construction by the aforesaid company, to the depth of the excavation at certain points and to the height of the fill at other points, it has been found necessary in some cases to allow a greater area to be included in the right of way in order to permit of the disposal of the excavated material and to afford adequate facilities for the maintenance of the works ;

All of the lands to which reference is hereinafter made are held under homestead or pre-emption entry and the entrants have in each case executed easements in favour of the Southern Alberta Land Company, Limited, granting right of way of the canal over the lands, the said easements being now registered in the Department of the Interior,—

The Minister, therefore, recommends that authority be given for granting free right of way, by license of occupation, to the Southern Alberta Land Company, Limited, for its works, through, over and upon the lands hereinafter described, not exceeding the area mentioned in each case and as shown on the plan of the said works filed in the office of the Commissioner of Irrigation and in the Department of the Interior and registered in the office of the Registrar of Land Titles at Calgary, in the province of Alberta, as Irr. 158, such grant to remain in effect for so long as the works herein referred to are used for irrigation purposes, viz :—

1. The southwest quarter of Section thirty, Township thirteen, Range seventeen, west of the Fourth Meridian, comprising twenty and two one-hundredths acres (20.02) more or less.

2. The northeast quarter of Section twenty-eight, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising eleven and thirty-one one-hundredths acres (11.31) more or less.

Thursday, the 16th day of January, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS a certified copy of an Order of the Lieutenant-Governor of Manitoba in Council, numbered 19749 and dated the 25th of October, 1912, has been filed in the Department of the Interior, requesting the Government of the Dominion of Canada to reserve the land required for a public highway through the south-east quarter of Section 30, Township 23, Range 4, east of the Principal Meridian ;

And whereas under section 13 of chapter 99 of the Revised Statutes of Canada, the Lieutenants-Governor of Manitoba in Council may, with the consent of the Governor in Council, where it is deemed advisable to do so for the purpose of settlement and colonization, direct roads to be opened through any unpatented lands, whether occupied or not, and whether such lands have been homesteaded, pre-empted, set apart or reserved for the benefit or use of any person, and the Governor in Council may thereafter on the report of the Minister of the Interior transfer such roads to the Crown in the right of the Province ;

And whereas the south-east quarter of Section 30, Township 23, Range 4, east of the Principal Meridian, in the province of Manitoba, is unpatented,—

Therefore the Governor General in Council is hereby pleased to authorize the Minister of the Interior to reserve therefrom the land comprised in the public highway as shown on the plan and described in By-law 35 of the Rural Municipality of Bifrost, passed on the twelfth day of October, 1910, which accompanied the copy of the Order of the Lieutenant-Governor of Manitoba in Council hereinbefore referred to, that is to say, a parcel of land described as follows :—

Beginning at the south-west corner of the said quarter section, thence northerly along the westerly boundary of the said quarter section a distance of 40 chains more or less to the north-west corner of the said quarter section ; thence easterly along the northerly boundary of the said quarter section a distance of one chain ; thence southerly and parallel to the said westerly boundary a distance of 40 chains more or less to the intersection with the southerly boundary of the said quarter section ; thence westerly along the said southerly boundary a distance of one chain more or less to the place of beginning, the said parcel containing an area of four acres more or less.

The Governor General in Council, in accordance with the provisions of section 13 of chapter 99 of the Revised Statutes of Canada, 1906, and on the report of the Minister of the Interior, is further pleased to order that the said public road or highway, as above described, be transferred to the Crown in the right of the Province of Manitoba.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 16th day of January, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 7th January, 1913, that Mr. H. T. Holness located on certain unsurveyed land on the north side of the north branch of Sheep Creek, in the Rocky Mountains Forest Reserve, in the Province of Alberta, prior to the reservation being established, with the expectation that the lands would be finally surveyed and thrown open for homestead entry, and that he would obtain entry for a quarter section. Mr. Holness represents that he was given assurance from officers of the Department of the Interior that entry would be granted him so soon as the land was surveyed; that he has made improvements upon the said lands, consisting of a house, stable, fencing and breaking; that he has resided upon the land since 1907, and, if the reservation had not been established, would now be entitled to letters patent for the land as a homestead.

The Minister further states that, as the land upon which Mr. Holness is located may be of considerable value for water storage purposes, it is not considered advisable that it should be alienated from the Crown, and negotiations were therefore entered into with Mr. Holness to ascertain upon what conditions he would be prepared to surrender any rights that he might have acquired to the land; that Mr. Holness has agreed to execute a surrender of his rights to the land in question on payment of \$1,600, being \$10 per acre, and upon his being permitted to make homestead entry for a quarter-section of available Dominion Lands elsewhere, and obtaining letters patent therefor without being required to undertake any further homestead duties.

The Minister recommends that this arrangement be approved, and that he be authorized to pay the sum of \$1,600 to Mr. H. T. Holness from the vote for the protection of timber in Manitoba, Saskatchewan, Alberta, &c., and to grant him letters patent for a quarter-section of available Dominion Lands, upon his executing a surrender of any rights he may have to the land upon which he located.

The Committee submit the same for approval.

The following regulations in respect of vessels arriving in any public harbour in Canada from any port infected or suspected of being infected with bubonic plague are hereby added to the General Regulations for the Government of Public Harbours in Canada, as approved by Order in Council of 20th April, 1911, as sections 49a, 49b and 49c thereof :

49a. Saturday, the 21st day of December, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 5th November, 1912, that authority has been given, under the provisions of The Irrigation Act, to Messrs. John E. Enright and James C. Strong, of East End, Saskatchewan, to construct certain works for the diversion of water from Frenchman River, in Township 6, Range 22, west of the 3rd Meridian, for irrigation purposes, and that, by authority of Orders in Council dated 5th November, 1907, 29th July, 1909, and 29th October, 1910, certain lands were sold to Messrs. Enright and Strong for reclamation by means of irrigation, the total area so sold being 6,158.65 acres, of which 2,868 acres are to be irrigated.

The Minister further submits that, within the tract sold to Messrs. Enright and Strong for irrigation purposes, there lies a portion of the southwest quarter of Section 32, Township 6, Range 21, west of the 3rd Meridian, which, until recently, has been reserved for the use of the Royal North West Mounted Police at East End, Saskatchewan. This reservation has, however, now been cancelled, with the exception of the southwest quarter of legal subdivision 4 of the said Section 32. The remainder of this quarter section lies along the course of one of the main irrigation ditches constructed by Messrs. Enright and Strong, and a considerable proportion thereof can easily be irrigated from the said ditch.

That an application has been received from Messrs. Enright and Strong to purchase the southwest quarter of the said Section 32, for inclusion in their irrigation project.

The Minister, therefore, recommends that the southwest quarter of Section 32, Township 6, Range 21, west of the 3rd Meridian, excepting the southwest quarter of legal subdivision 4 thereof, be sold to James Carey Strong and Denham Norreys McLean, administrator of the estate of the late John Edward Enright, under the irrigation system, at the rate of \$3.00 per acre, one-fourth of which sum shall be paid within sixty days from the date of the sale and the remainder, together with interest at the rate of five per cent per annum, shall become due and payable upon the completion of the irrigation works. It shall be a condition of the sale that the irrigation works shall be completed to the satisfaction of the Minister of the Interior before letters patent are issued for the land sold, and that, if at the end of the period which may be granted for the construction of the irrigation works, such works have not been completed, the agreement to sell the lands may be cancelled and any amount paid on account thereof, or works constructed in connection with such irrigation system on the said land, may be forfeited to the Crown.

The Committee submit the same for approval.

(1) CAUTION WHEN APPROACHING CANADIAN PORTS.

PART I.

Closing of Ports.

(1) The Canadian Government, having taken into consideration the fact that local or other circumstances may arise in which it may be necessary, on account of periodical exercises, manœuvres, or otherwise, to forbid all entrance to certain ports of the Dominion, this is to give notice that on approaching the shores of Canada or any of the ports referred to in Part III of this notice, a sharp look-out should be kept for the signals described in the following paragraph, and for the vessels mentioned in paragraph (2), Part II, of this notice, and the distinguishing and other signals made by them. In the event of such signals being displayed the port or locality should be approached with great caution, as it may be apprehended that obstructions may exist.

(2) If entrance to a port is prohibited three red vertical lights by night, or three red vertical balls by day, will be exhibited in some conspicuous position, in or near to its approach, which signals will also be shown

by the vessels indicated in paragraph (2), Part II of this notice.

If the signals are displayed, vessels must either proceed to the position marked "Examination Anchorage" on the Admiralty charts and anchor there, or keep the sea.

(3) At all the ports or localities referred to in Part III of this Notice, search-lights are occasionally exhibited for exercise.

Instructions have been given to avoid directing movable search-lights during practice on to vessels under way, but mariners are warned that great care should be taken to keep a sharp look-out for the signals indicated in paragraph (2) above, when search-lights are observed to be working.

PART II.

EXAMINATION SERVICE.

(1) Under certain circumstances it may become necessary to take special measures to examine vessels desiring to enter the ports or localities referred to in Part III of this notice.

(2) In such case, vessels carrying the distinguishing flags or lights mentioned in paragraph (4) will be charged with the duty of examining ships which desire to enter the ports and of allotting positions in which they shall anchor.

(3) As the institution of the Examination Service at any port will never be publicly advertised, especial care should be taken in approaching the ports, by day or night, to keep a sharp look-out for any vessel carrying the flags or lights mentioned in paragraph (4), and to be ready to "bring to" at once when hailed by her or warned by the firing of a gun or sound rocket.

(4) By day the distinguishing flags of the Examination Steamer will be a special flag (white and red horizontal surrounded by a blue border) and a blue ensign.

Also, three red vertical balls if the port is closed.

By night the steamer will carry:—

(a) Three red vertical lights if the port is closed.

(b) Three white vertical lights if the port is open.

The above lights will be carried in addition to the ordinary navigation lights, and will show an unbroken light around the horizon.

(5) Masters are warned that, before attempting to enter any of these ports where the Examination Service is in force, they must in their own interests strictly obey all instructions as to entry given to them by the Examination Steamer. In the absence of any instructions from the Examination Steamer they must proceed to the position marked "Examination Anchorage" on the Admiralty Charts and anchor there, or keep the sea.

(6) In case of fog, Masters of vessels are enjoined to use the utmost care, and the Examination Anchorage itself should be approached with caution.

(7) The pilots attached to the ports will be acquainted with the regulations to be followed.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

datée le 3 de janvier 1913, annonçant que le 1er no-

RIEURES.

LE gouvernement canadien s'étant informé auprès
du gouvernement italien, sur l'autorité des offi-
ciers consulaires italiens de recevoir des deniers adju-
gés par des tribunaux canadiens à des sujets italiens
non domiciliés au Canada, la réponse que contient la
dépêche ci-dessous a été reçue comportant que les offi-
ciers consulaires italiens sont autorisés à recevoir des
articles et deniers dus à des sujets italiens non domi-
ciliés au Canada :

*Du Secrétaire d'Etat pour les Colonies au Gouverneur
général.*

Canada,
n° 874.

DOWNING STREET,
20 décembre 1912.

MONSIEUR,—J'ai l'honneur de transmettre à Votre
Altesse Royale, pour le renseignement de Vos Minis-
tres, les documents cités ci-dessous concernant le paie-
ment par les tribunaux canadiens de la compensation
et autres deniers adjugés à des Italiens non domiciliés
au Canada.

J'ai, etc.,

L. HARCOURT.

A l'Administrateur du Gouvernement
du Canada.

Consulaire, n° 33.

ROME, 9 décembre 1912.

MONSIEUR,—Au reçu de votre dépêche consulaire
n° 47 du 10 septembre dernier, au sujet du paiement
par les tribunaux canadiens de compensation et autres
effets adjugés à des Italiens non domiciliés au Canada,
M. Dering a adressé une note au gouvernement italien
dans le sens de la lettre du 21 août du Département
canadien des Affaires Extérieures.

En réponse à cette note le Ministre italien pour les
Affaires Etrangères dit que les officiers consulaires
italiens sont autorisés par les règlements consulaires de
recevoir des autorités locales ou du représentant de la
personne qui y a droit, les articles et deniers dus à des
sujets italiens non domiciliés dans le pays intéressé, et
que leur reçu est valide. La procédure suivie est que
les deniers sont transmis par l'officier consulaire au
Ministère italien pour les Affaires Etrangères et ce der-
nier le transmet aux autorités judiciaires compétentes
(ou au consul italien, à l'étranger, selon le cas), qui
effectue le paiement et obtient des reçus des personnes
intéressées ; ces reçus sont ordinairement déposés aux
archives du ministère, mais si la chose est désirée ils
peuvent être transmis aux autorités à l'étranger qui
ont opéré le paiement original. Ce dernier moyen est
fréquemment adopté dans le cas de petits héritages et
de compensation pour accidents à des ouvriers reçus
dans la Grande-Bretagne et quelques-unes de ses dépen-
dances, *e. g.*, l'Union Sud-africaine, par les consuls
italiens pour transmission aux héritiers en Italie.

Il est fait mention que le mode de transmission ci-
dessus indiqué est absolument sûr et que les personnes
auxquelles l'argent est dû n'encourent aucune dépense.
On admet que ce moyen est un peu long et l'on suggère
que si les chèques émis par les autorités canadiennes en
faveur des personnes qui y ont droit étaient employés
il y aurait moins de temps perdu sous ce rapport ;
d'un autre côté, les personnes qui reçoivent ces chèques
si elles demeurent dans des campagnes éloignées,
comme le cas se présenterait souvent, auraient de la
difficulté à faire changer les chèques.

Le Ministre des Affaires Etrangères termine en dé-
clarant que son ministère fera tout son possible pour
faciliter la transmission aux héritiers de toutes les
sommes qui seront confiées aux officiers consulaires
italiens par les autorités canadiennes.

J'ai etc.,

R. RODD.

Le Très Honorable

Sir E. Grey, Bart., C.J., M.P.,

Mardi, le 3e jour d'octobre 1913.

PRÉSENT :

SON EXCELLENCE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 3 août 1911, qu'en vertu des dispositions de la loi d'irrigation la compagnie dite "The Southern Alberta Land Company, Limited," a été autorisée à construire un système d'irrigation tirant l'eau de la rivière Bow à un endroit dans le quart sud-est de la section 31, township 21, rang 25, à l'ouest du 4e méridien, et que sous l'empire de cette autorisation la compagnie a arpenté et partiellement creusé un canal à partir du dit endroit jusqu'à et à travers le terrain qui doit être irrigué ;

Le Ministre ajoute qu'en vertu de l'autorité que lui confère l'article 54 de la Loi d'irrigation des règlements ont été établis pour la concession gratuite du droit de passage des canaux et fossés d'irrigation, ce droit de passage comprenant en outre de la largeur du canal ou fossé une lisière marginale n'excédant pas vingt pieds d'un côté et dix pieds de l'autre côté du dit canal ou fossé, pour en permettre la mise en opération et les réparations. Les dits règlements autorisent aussi la concession d'une plus grande largeur de terrain, mais n'excédant pas dix acres en tout, lorsqu'il est démontré que ce terrain est nécessaire pour le bon fonctionnement du système d'irrigation ;

Vu les dimensions du canal que creuse actuellement la compagnie susdite, la profondeur de la tranchée à certains points et la hauteur du remblai à d'autres endroits, il a été jugé nécessaire dans certains cas d'inclure une plus grande superficie dans le droit de passage afin de pouvoir disposer des déblais et faciliter l'entretien des travaux ;

Toutes les terres mentionnées ci-dessous sont occupées en vertu d'inscriptions de homestead ou de préemption et les inscrits ont dans chaque cas cédé par convention à la compagnie dite "Southern Alberta Land Company, Limited," le droit de passage pour son canal sur ces terres, les dites conventions étant maintenant enregistrées au ministère de l'Intérieur ;

Par conséquent, le Ministre recommande que l'autorisation soit donnée de concéder gratuitement à la compagnie dite "Southern Alberta Land Company, Ltd.," par permis d'occupation, le droit de passage pour son entreprise sur et à travers les terres ci-dessous décrites, mais n'excédant pas la superficie mentionnée dans chaque cas, ainsi qu'indiqué sur le plan des travaux déposé au bureau du Commissaire d'irrigation et au ministère de l'Intérieur et enregistré au bureau du registraire des titres de terres à Calgary, dans la province d'Alberta, sous la désignation "Irr. 158," cette concession demeurant valide tant que les travaux ci-dessus mentionnés serviront aux fins d'irrigation, savoir :—

1. Le quart sud-ouest de la section 30, township 13, rang 17, à l'ouest du 4e méridien, comprenant 20.02 acres, plus ou moins.

2. Le quart nord-est de la section 28, township 13, rang 18, à l'ouest du 4e méridien, comprenant 11.31 acres, plus ou moins.

3. Le quart sud-ouest de la section 17, township 14, rang 19, à l'ouest du 4e méridien, comprenant 11.20 acres, plus ou moins.

4. Le quart sud-ouest de la section 31, township 13, rang 18, à l'ouest du 4e méridien, comprenant 14.31 acres, plus ou moins.

5. Le quart nord-est de la section 24, township 14, rang 20, à l'ouest du 4e méridien, comprenant 11.10 acres plus ou moins.

6. Le quart sud-est de la section 23, township 13, rang 18, à l'ouest du 4e méridien, comprenant 21.35 acres plus ou moins.

7. Le quart nord-ouest de la section 28, township 13, rang 18, à l'ouest du 4e méridien, comprenant 13.67 acres plus ou moins.

8. Le quart sud-est de la section 31, township 13, rang 18, à l'ouest du 4e méridien, comprenant 14.31 acres plus ou moins.

9. Le quart sud-ouest de la section 32, township 13, rang 18, à l'ouest du 4e méridien, comprenant 10.38 acres plus ou moins.

10. Le quart sud-ouest de la section 9, township 14, rang 19, à l'ouest du 4e méridien, comprenant 12.21 acres plus ou moins.

Le comité soumet cette recommandation pour approbation.

LE Ministre de l'Intérieur représente, le 4 janvier 1913, que M. Joseph St-Germain a demandé la concession gratuite du lot n° 42, dans l'établissement de Shaftsbury, province d'Alberta, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des Indiens.

Le Ministre ajoute que la preuve soumise démontre que le requérant, par l'entremise de son agent, M. Charles St-Germain, occupait le terrain en question à la date de la conclusion du traité indien n° 8 à l'été de 1899.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe (c) de l'article 76 de la *Loi des terres fédérales*, il soit autorisé à concéder gratuitement à M. Joseph St-Germain le lot n° 42, dans l'établissement de Shaftsbury, province d'Alberta, contenant 152 acres plus ou moins.

LE Ministre de l'Intérieur représente, le 7 janvier 1913 que M. H. T. Holness s'est établi sur un terrain non arpenté situé sur la rive nord de la branche nord du creek Sheep dans la réserve forestière des Montagnes Rocheuses, dans la province d'Alberta, avant l'établissement de cette réserve, dans l'attente que ces terres seraient finalement arpentées et ouvertes aux colons, et qu'il pourrait obtenir l'inscription de homestead pour un quart de section. M. Holness représente que les fonctionnaires du ministère de l'Intérieur l'ont assuré que l'inscription de homestead lui serait accordée dès que ces terres seraient arpentées; qu'il a fait des améliorations considérables sur ce terrain, soit une maison, une étable, des clôtures et des travaux de défoncement; qu'il y a résidé depuis 1907 et que si la réserve n'avait pas été établie, il aurait maintenant droit aux lettres patentes de ce terrain.

Le Ministre ajoute que ce terrain pouvant avoir une valeur considérable pour l'emmagasinage de l'eau, il ne croit pas sage d'en déposséder la Couronne et, par conséquent, des négociations ont été ouvertes avec M. Holness pour s'assurer à quelles conditions il céderait les droits à ce terrain qu'il peut avoir acquis. M. Holness a consenti à céder ses droits au terrain en question sur paiement d'une somme de \$1,600, soit \$10 l'acre, avec la permission de s'inscrire pour un homestead d'un quart de section de terres fédérales ailleurs disponibles et d'en obtenir les lettres patentes sans être tenu à l'accomplissement d'autres obligations de homestead.

Le Ministre recommande que cette convention soit approuvée et demande l'autorisation de payer à M. Holness la somme de \$1,600 tirée du crédit pour la protection des forêts dans le Manitoba, la Saskatchewan, l'Alberta, etc., et d'accorder à M. Holness les lettres patentes d'un quart de section de terres fédérales disponibles dès qu'il aura cédé les droits qu'il peut avoir au terrain sur lequel il est établi.

Le comité soumet cette recommandation pour approbation.

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée, le terrain en question étant disponible d'après les archives du ministère de l'Intérieur,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions du paragraphe (d) de l'article 76 de la *Loi des terres fédérales*, de décréter que les subdivisions légales fractionnaires 1 et 2 de la section 10, township 32, rang 25, à l'ouest du 2e méridien, contenant 23.90 acres, ainsi qu'indiqué en couleur rose sur le plan ci-annexé, soient mises en réserves et affectées aux fins d'un parc, et d'en autoriser la concession pour les dites fins à la ville de Waterous, dans la province de Saskatchewan, l'acte de cession devant contenir la condition que ce terrain retournera à la Couronne si, en aucun temps, le concessionnaire, ses successeurs ou ayants droit ne l'affecte pas aux fins susdites.

Et attendu qu'en vertu de l'article 13 du chapitre 99 des Statuts révisés du Canada, le lieutenant-gouverneur du Manitoba en conseil peut, du consentement du Gouverneur en conseil, lorsqu'il est jugé opportun de le faire dans l'intérêt des établissements et de la colonisation, ordonner que des chemins soient ouverts sur les terres non couvertes par des patentes, qu'elles soient occupées ou non, et soit que ces terres aient ou non été prises comme établissements, par préemption, ou mises à part ou réservées au profit ou à l'usage de qui que ce soit; et ces chemins peuvent ensuite être transférés par le Gouverneur en conseil à la Couronne pour la province;

Il plaît de plus au Gouverneur général en conseil, en vertu des dispositions de l'article 13 du chapitre 99 des Statuts révisés du Canada, 1906, et d'après le rapport du Ministre de l'Intérieur, de décréter que le dit chemin public, ainsi que ci-dessus décrit, soit transféré à la Couronne pour la province du Manitoba.

Les règlements suivants concernant l'arrivée dans un havre public du Canada de navires venant d'un port quelconque infesté ou soupçonné d'être infesté de la peste bubonique sont par ces présentes ajoutés comme articles 49a, 49b et 49c, aux règlements généraux pour l'administration des havres publics au Canada, ainsi qu'approuvés par un arrêté en conseil du 20 avril 1911 :

49a. Il est illégal pour tout navire venant d'un port quelconque où existe ou est soupçonné d'exister la peste bubonique, et entrant dans un havre public au Canada, de mouiller à un quai ou d'être amarré en eau dormante à une distance du quai moindre que six pieds ; et où cette distance du quai ne peut être maintenue à cause de la force du courant, la distance sera aussi près de six pieds que, de l'avis du maître de havre, les circonstances le permettent.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |

| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

Greffier de la Chambre des Communes.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. (a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelquel effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

The Minister recommends, as the lands are no longer required for police purposes, that under the provisions of sub-section (d) of section 76 of The Dominion Lands Act, that portion of Section 32, lying North of the South branch of the Saskatchewan River, and that portion of the N.W. $\frac{1}{4}$ of Section 33, lying West of the River, in Township 12, Range 5, West 4th Meridian, containing 176.50 acres, be set apart and appropriated for park purposes, and that a grant of the same be authorized, to the City of Medicine Hat, for the above mentioned purposes.

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 14th January, 1913, that the Quartz Mining Regulations, approved by Order in Council dated 13th August, 1908, provide that a mineral claim shall be marked by two legal posts placed as near as possible on the line of the lode or vein, and that a post shall also be planted where mineral in place has been discovered.

The Minister further submits that by an Order in Council dated 8th May, 1912, authority was given to W. Tees Curran and L. O. Armstrong, of Montreal, to stake out on behalf of themselves and others, during the year 1912, fifty mineral claims on any available land situated on the islands in Hudson's Bay, near the eastern shore, in the Provisional District of Ungava, and to obtain entries therefor under the provisions of the regulations;

That Mr. Curran has now submitted to the Department of the Interior applications for entries, under the provisions of the above Order in Council, for thirty mineral claims situated on three small islands in Hudson's Bay, and he has represented that these islands are devoid of timber, and as they were reached by the overland route it was not possible to carry a sufficient number of posts of the size prescribed by the regulations with which to mark these claims; that for this reason the claims in question were marked on the ground by erecting cairns of stones in lieu of placing the legal posts required by the regulations; and that no posts were placed at the point where mineral in place was discovered.

The Minister states that it would appear from the affidavits filed in the Department of the Interior that the applicants have actually discovered mineral in place on the locations in question, that there has been on their part a *bona fide* attempt to comply with the conditions of the regulations, and that a very large expenditure has been incurred in connection with the expedition of discovery.

The Minister, therefore, recommends that he authorized to waive observance of the formalities above referred to in connection with staking, and to grant entries for the claims in question, provided the applicants have otherwise complied with the requirements of the regulations.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of January, 1913

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 18th November, 1912, that authority has been granted to "The Southern Alberta Land Company, Limited," under the provisions of The Irrigation Act, to construct a reservoir in townships thirteen and fourteen, range ten, west of the fourth meridian; that the said reservoir comprises all, or part, of certain quarter sections which are now held under homestead or pre-emption entries and that the successful operation of the said company's irrigation system requires that the land comprised in the said reservoir site shall be owned or controlled by the company.

The Minister further states that in some cases all of the land so held under entry is required for reservoir purposes; in other cases the greater portion of the land so held is included in the entries and, in his opinion, the remaining portions are not sufficient for

the support of a family by ordinary farming operations.

The Minister, therefore, recommends that "The Southern Alberta Land Company, Limited, be permitted to acquire, by purchase from the respective entrants, the land shown in the schedule appended hereto and to take quit-claim deeds, or surrenders, from the said entrants for all of their right or interest in the said land, the said quit-claim deeds, or surrenders, to be filed by the said company with the Minister of the Interior; that upon the filing, as aforesaid, of quit-claim deeds, or surrenders, in evidence of the extinction of all the right and interest of the respective entrants in the said land, letters patent for such land shall be granted to "The Southern Alberta Land Company, Limited", without further payment or condition, and that each such entrant who so surrenders his right and interest in the land shall have the privilege of acquiring a similar area of land elsewhere under homestead or pre-emption entry; and that the residence duties performed by each such entrant upon the surrendered land shall be counted towards the duties required by law upon the lands hereafter to be selected by him in lieu of the surrendered land.

The Minister observes that the land affected and the names of the respective entrants are as follows and are further shown on the plan annexed hereto:—

1. The south half of section thirty-four, township thirteen, range ten, west of the fourth meridian, which is held by Milton D. Clark under homestead and pre-emption entries;

2. The west half of section thirty-five, township thirteen, range ten, west of the fourth meridian, which is held by Max Con under homestead and pre-emption entries;

3. The north half of section thirty-four, township thirteen, range ten, west of the fourth meridian, which is held by James Bell under homestead and pre-emption entries;

4. The northeast quarter of section thirty-three, township thirteen, range ten, west of the fourth meridian, which is held by John Stewart under homestead entry;

5. The northwest quarter of section thirty-three, township thirteen, range ten, west of the fourth meridian, which is held by Samuel Tucker under homestead entry;

6. The southeast quarter of section thirty-three, township thirteen, range ten, west of the fourth meridian, which is held by Edward Altman under homestead entry.

The Minister further observes that the east half of section thirty-five, township thirteen, range ten, west of the fourth meridian, is held by A. M. Lyon, the northeast quarter of the said section under pre-emption and the southeast quarter under homestead entry; that the reservoir hereinbefore referred to covers 110.8 acres of the said northeast quarter.

The Minister further recommends that "The Southern Alberta Land Company, Limited," be permitted to acquire, by purchase, all of the right and interest of the said A. M. Lyon in that portion of the northeast quarter of section thirty-five, township thirteen, range ten, west of the fourth meridian, covered by the said reservoir, viz: one hundred and ten and eight one-tenth acres (110.8) more or less, and to take a quit-claim deed, or surrender, from the said A. M. Lyon for all of his right and interest therein, such quit-claim deed, or surrender, to be filed by the said company with the Minister of the Interior; that upon the filing of such evidence of surrender of the entrants' right and interest, letters patent shall issue to the said company for the land so surrendered, without further payment or condition, and the said A. M. Lyon shall have the privilege of acquiring one quarter section of land elsewhere, under the regulations governing pre-emption entries; *provided* that no residential duties shall be required from the said A. M. Lyon upon the land to be so selected by him.

The Committee, concurring in the foregoing, submit the same for approval.

[1895]
AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 3rd day of October, 1911.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Minister of the Interior states under date 3rd August, 1911, that authority has been granted under the provisions of The Irrigation Act to the Southern Alberta Land Company, Limited, to construct a system of irrigation works taking water from Bow river at a point on the southeast quarter of Section thirty-one, Township twenty-one, Range twenty-five, west of the Fourth Meridian, and that, pursuant to such authority, the said company has surveyed and partly constructed a canal from the said point of intake to and across the tract of land to be irrigated ;

The Minister observes that by authority vested in him by section 54 of The Irrigation Act, regulations have been made for granting free right of way for irrigation canals and ditches, such right of way to include, in addition to the width of the canal or ditch, a marginal strip not exceeding twenty feet on one side and ten feet on the other side of the said canal or ditch, to give access to the same for purposes of operation and repairs ; provision having also been made in the said regulations for granting a greater width, not exceeding ten acres in all, when such shall be shown to be necessary for the effective operation of the irrigation system ;

Owing to the size of the canal now under construction by the aforesaid company, to the depth of the excavation at certain points and to the height of the fill at other points, it has been found necessary in some cases to allow a greater area to be included in the right of way in order to permit of the disposal of the excavated material and to afford adequate facilities for the maintenance of the works ;

All of the lands to which reference is hereinafter made are held under homestead or pre-emption entry and the entrants have in each case executed easements in favour of the Southern Alberta Land Company, Limited, granting right of way of the canal over the lands, the said easements being now registered in the Department of the Interior,—

The Minister, therefore, recommends that authority be given for granting free right of way, by license of occupation, to the Southern Alberta Land Company, Limited, for its works, through, over and upon the lands hereinafter described, not exceeding the area mentioned in each case and as shown on the plan of the said works filed in the office of the Commissioner of Irrigation and in the Department of the Interior and registered in the office of the Registrar of Land Titles at Calgary, in the province of Alberta, as Irr. 158, such grant to remain in effect for so long as the works herein referred to are used for irrigation purposes, viz :—

1. The southwest quarter of Section thirty, Township thirteen, Range seventeen, west of the Fourth Meridian, comprising twenty and two one-hundredths acres (20.02) more or less.

2. The northeast quarter of Section twenty-eight, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising eleven and thirty-one one-hundredths acres (11.31) more or less.

3. The southwest quarter of Section seventeen, Township fourteen, Range nineteen, west of the Fourth Meridian, comprising eleven and twenty one-hundredths acres (11.20) more or less.

4. The southwest quarter of Section thirty-one, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising fourteen and thirty-one one-hundredths acres (14.31) more or less.

6. The southeast quarter of Section twenty-three, Township thirteen, Range eighteen, west of the Fourth

Meridian, comprising twenty-one and thirty-five one-hundredths acres (21.35) more or less.

7. The northwest quarter of Section twenty-eight, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising thirteen and sixty-seven one-hundredths acres (13.67) more or less.

8. The southeast quarter of Section thirty-one, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising fourteen and thirty-one one-hundredths acres (14.31) more or less.

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS a certified copy of an Order of the Lieutenant-Governor of Manitoba in Council, numbered 19749 and dated the 25th of October, 1912, has been filed in the Department of the Interior, requesting the Government of the Dominion of Canada to reserve the land required for a public highway through the south-east quarter of Section 30, Township 23, Range 4, east of the Principal Meridian ;

And whereas under section 13 of chapter 99 of the Revised Statutes of Canada, the Lieutenants-Governor of Manitoba in Council may, with the consent of the Governor in Council, where it is deemed advisable to do so for the purpose of settlement and colonization, direct roads to be opened through any unpatented lands, whether occupied or not, and whether such lands have been homesteaded, pre-empted, set apart or reserved for the benefit or use of any person, and the Governor in Council may thereafter on the report of the Minister of the Interior transfer such roads to the Crown in the right of the Province ;

And whereas the south-east quarter of Section 30, Township 23, Range 4, east of the Principal Meridian, in the province of Manitoba, is unpatented,—

Therefore the Governor General in Council is hereby pleased to authorize the Minister of the Interior to reserve therefrom the land comprised in the public highway as shown on the plan and described in By-law 35 of the Rural Municipality of Bifrost, passed on the twelfth day of October, 1910, which accompanied the copy of the Order of the Lieutenant-Governor of Manitoba in Council hereinbefore referred to, that is to say, a parcel of land described as follows :—

Beginning at the south-west corner of the said quarter section, thence northerly along the westerly boundary of the said quarter section a distance of 40 chains more or less to the north-west corner of the said quarter section ; thence easterly along the northerly boundary of the said quarter section a distance of one chain ; thence southerly and parallel to the said westerly boundary a distance of 40 chains more or less to the intersection with the southerly boundary of the said quarter section ; thence westerly along the said southerly boundary a distance of one chain more or less to the place of beginning, the said parcel containing an area of four acres more or less.

The Governor General in Council, in accordance with the provisions of section 13 of chapter 99 of the Revised Statutes of Canada, 1906, and on the report of the Minister of the Interior, is further pleased to order that the said public road or highway, as above described, be transferred to the Crown in the right of the Province of Manitoba.

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 7th January, 1913, that Mr. H. T. Holness located on certain unsurveyed land on the north side of the north branch of Sheep Creek, in the Rocky Mountains Forest Reserve, in the Province of Alberta, prior to the reservation being established, with the expectation that the lands would be finally surveyed and thrown open for homestead entry, and that he would obtain entry for a quarter section. Mr. Holness represents that he was given assurance from officers of the Department of the Interior that entry would be granted him so soon as the land was surveyed; that he has made improvements upon the said lands, consisting of a house, stable, fencing and breaking; that he has resided upon the land since 1907, and, if the reservation had not been established, would now be entitled to letters patent for the land as a homestead.

The Minister further states that, as the land upon which Mr. Holness is located may be of considerable value for water storage purposes, it is not considered advisable that it should be alienated from the Crown, and negotiations were therefore entered into with Mr. Holness to ascertain upon what conditions he would be prepared to surrender any rights that he might have acquired to the land; that Mr. Holness has agreed to execute a surrender of his rights to the land in question on payment of \$1,600, being \$10 per acre, and upon his being permitted to make homestead entry for a quarter-section of available Dominion Lands elsewhere, and obtaining letters patent therefor without being required to undertake any further homestead duties.

The Minister recommends that this arrangement be approved, and that he be authorized to pay the sum of \$1,600 to Mr. H. T. Holness from the vote for the protection of timber in Manitoba, Saskatchewan, Alberta, &c., and to grant him letters patent for a quarter-section of available Dominion Lands, upon his executing a surrender of any rights he may have to the land upon which he located.

The Committee submit the same for approval.

The Minister is of the opinion that, as it is proposed to move to the land applied for certain storehouses which have been constructed on the river road, the application should be granted.

NOTICE TO MARINERS.

No. 1 of 1913.

(*Atlantic No. 1. Pacific No. 1.*)

All bearings, unless otherwise noted, are true, and are given from seaward in degrees from 0° (North) to 360°, measured clockwise, followed by the magnetic bearing in degrees in brackets. Miles are nautical miles, heights are above high water of ordinary spring tides, and all depths are at low water of ordinary spring tides.

(1) CAUTION WHEN APPROACHING CANADIAN PORTS.

PART I.

Closing of Ports.

(1) The Canadian Government, having taken into consideration the fact that local or other circumstances may arise in which it may be necessary, on account of periodical exercises, manœuvres, or otherwise, to forbid all entrance to certain ports of the Dominion, this is to give notice that on approaching the shores of Canada or any of the ports referred to in Part III of this notice, a sharp look-out should be kept for the signals described in the following paragraph, and for the vessels mentioned in paragraph (2), Part II, of this notice, and the distinguishing and other signals made by them. In the event of such signals being displayed the port or locality should be approached with great caution, as it may be apprehended that obstructions may exist.

(2) If entrance to a port is prohibited three red vertical lights by night, or three red vertical balls by day, will be exhibited in some conspicuous position, in or near to its approach, which signals will also be shown

by the vessels indicated in paragraph (2), Part II of this notice.

If the signals are displayed, vessels must either proceed to the position marked "Examination Anchorage" on the Admiralty charts and anchor there, or keep the sea.

(3) At all the ports or localities referred to in Part III of this Notice, search-lights are occasionally exhibited for exercise.

Instructions have been given to avoid directing movable search-lights during practice on to vessels under way, but mariners are warned that great care should be taken to keep a sharp look-out for the signals indicated in paragraph (2) above, when search-lights are observed to be working.

PART II.

EXAMINATION SERVICE.

(1) Under certain circumstances it may become necessary to take special measures to examine vessels desiring to enter the ports or localities referred to in Part III of this notice.

(2) In such case, vessels carrying the distinguishing flags or lights mentioned in paragraph (4) will be charged with the duty of examining ships which desire to enter the ports and of allotting positions in which they shall anchor.

(3) As the institution of the Examination Service at any port will never be publicly advertised, especial care should be taken in approaching the ports, by day or night, to keep a sharp look-out for any vessel carrying the flags or lights mentioned in paragraph (4), and to be ready to "bring to" at once when hailed by her or warned by the firing of a gun or sound rocket.

(4) By day the distinguishing flags of the Examination Steamer will be a special flag (white and red horizontal surrounded by a blue border) and a blue ensign.

Also, three red vertical balls if the port is closed.

By night the steamer will carry:—

(a) Three red vertical lights if the port is closed.

(b) Three white vertical lights if the port is open.

The above lights will be carried in addition to the ordinary navigation lights, and will show an unbroken light around the horizon.

(5) Masters are warned that, before attempting to enter any of these ports where the Examination Service is in force, they must in their own interests strictly obey all instructions as to entry given to them by the Examination Steamer. In the absence of any instructions from the Examination Steamer they must proceed to the position marked "Examination Anchorage" on the Admiralty Charts and anchor there, or keep the sea.

(6) In case of fog, Masters of vessels are enjoined to use the utmost care, and the Examination Anchorage itself should be approached with caution.

(7) The pilots attached to the ports will be acquainted with the regulations to be followed.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
 - (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.
- (7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

ARRÊTÉS EN CONSEIL.

[188]

HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 25e jour de janvier 1913.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 18 novembre 1912, que la compagnie dite "The Southern Alberta Land Company, Limited," en vertu des dispositions de la *Loi d'irrigation*, a été autorisée à construire un réservoir dans les townships 13 et 14, rang 10, à l'ouest du 4e méridien, que ce réservoir couvre tout ou partie de certains quarts de sections occupés par inscription de homestead ou de préemption et que pour le bon fonctionnement du système d'irrigation de la dite compagnie, il est nécessaire que le terrain compris dans l'emplacement du dit réservoir appartienne à la compagnie ou soit sous son contrôle.

Le Ministre représente que dans certains cas tout le terrain ainsi occupé par inscription de homestead ou de préemption est requis pour les fins du réservoir ; dans d'autres cas la majeure partie du terrain ainsi occupé est comprise dans l'inscription et, à son avis, ce qui en reste n'est pas suffisant pour le soutien d'une famille, par l'exploitation agricole ordinaire.

Par conséquent, le Ministre recommande qu'il soit permis à la "Southern Alberta Land Company Limited," d'acheter de ceux qui les occupent par inscription de homestead ou de préemption les terrains désignés dans le tableau ci-annexé, et d'obtenir de ces colons des actes d'abandon ou de cession de tout droit ou intérêt dans les dits terrains, ces actes d'abandon ou de

cession devant être déposés par la compagnie chez le ministre de l'Intérieur ; dès qu'auront été ainsi déposés ces actes d'abandon ou de cession faisant preuve de l'extinction de tout droit et intérêt des inscrits dans les dits terrains, les lettres patentes en seront accordées à la "Southern Alberta Land Company, Limited," sans autre paiement ou condition, et chacun des inscrits qui cède ainsi ses droits et intérêts dans un terrain aura le privilège d'acquiescer par inscription de homestead une même étendue de terrains ailleurs, et la période de résidence de chacun de ces inscrits sur le terrain cédé sera comptée en accomplissement des obligations de résidence exigées par la loi sur les terres qu'il choisira en remplacement du terrain cédé.

Le Ministre ajoute que les terrains affectés et les noms des inscrits respectifs sont les suivants et sont de plus indiqués sur le plan ci-annexé :

1. La moitié sud de la section 34, township 13, rang 10, à l'ouest du 4e méridien, occupée par inscription de homestead et de préemption par Milton D. Clark ;

2. La moitié ouest de la section 35, township 13, rang 10, à l'ouest du 4e méridien, occupée par inscription de homestead et de préemption par Max Con ;

3. La moitié nord de la section 34, township 13, rang 10, à l'ouest du 4e méridien, occupée par inscription de homestead et de préemption par James Bell ;

4. Le quart nord-est de la section 33, township 13, rang 10, à l'ouest du 4e méridien, occupé par inscription de homestead par John Stewart.

5. Le quart nord-ouest de la section 33, township 13, rang 10, à l'ouest du 4e méridien, occupé par inscription de homestead par Samuel Tucker ;

6. Le quart sud-est de la section 33, township 13, rang 10, à l'ouest du 4e méridien, occupé par inscription de homestead par Edward Altman.

Le Ministre ajoute que la moitié est de la section 35, township 13, rang 10, à l'ouest du 4e méridien, est occupée par M. A. M. Lyon, le quart nord-est de la dite section par préemption et le quart sud-est par inscription de homestead et que le réservoir ci-dessus mentionné couvre 110.8 acres du dit quart nord-est.

Le Ministre recommande de plus qu'il soit permis à la "Southern Alberta Land Company, Limited," d'acheter tout droit et intérêt du dit A. M. Lyon dans cette partie du quart nord-est de la section 35, township 13, rang 10, à l'ouest du 4e méridien, couverte par le dit réservoir, soit 110.8 acres plus ou moins, et d'obtenir du dit A. M. Lyon un acte d'abandon ou de cession de tout tel droit et intérêt, cet acte d'abandon ou de cession devant être déposé par la compagnie chez le Ministre de l'Intérieur ; dès qu'aura été ainsi déposée cette preuve de la cession des droits de M. A. M. Lyon les lettres patentes du terrain ainsi cédé seront accordées à la compagnie sans autre paiement ou condition, et le dit A. M. Lyon aura le privilège d'acheter ailleurs, sous l'empire des règlements régissant les inscriptions de préemption, un autre quart de section, pourvu toutefois que M. A. M. Lyon ne soit pas astreint aux obligations de résidence sur le terrain qu'il aura ainsi choisi.

Le comité appuie les recommandations ci-dessus et les soumet pour approbation.

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 25e jour de janvier 1913.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

IL plaît à Son Altesse Royale le Gouverneur général en conseil d'établir à Prince-Rupert, dans la province de la Colombie-Britannique, une ligne de havre permanente au delà de laquelle il ne sera érigé à l'avenir aucun quai, jetée, brise-lames ou autre construction, conformément au plan et à la description dont copie est exposée au bureau de l'ingénieur de district du département des Travaux publics à Prince-Rupert et au département des Travaux publics à Ottawa.

RODOLPHE BOUDREAU,

31-3

Greffier du Conseil privé.

[2341]

HOTEL DU GOUVERNEMENT A OTTAWA.

Mardi, le 3e jour d'octobre 1911.

PRÉSENT :

SON EXCELLENCE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 2 octobre 1911, qu'un arrêté en conseil daté le 27 juin 1889 a autorisé la mise en réserve pour la Police à cheval du Nord-Ouest, à Medicine Hat, cette partie de la section 32 située au nord de la rivière et le quart nord-ouest de la section 33 situé à l'ouest de la rivière, dans le township 12, ainsi que le quart sud-ouest de la section 5 et la moitié est de la section 5, situés à l'ouest de la rivière, dans le township 13, le tout dans le rang 5, à l'ouest du 4e méridien.

Le contrôleur de la police à cheval du Nord-ouest ayant récemment avisé le Ministre que les terres ci-dessus décrites ne sont plus requises pour les fins de la police, le Ministre recommande que les terres susdites soient soustraites de la réserve autorisée par l'arrêté en conseil ci-dessus mentionné.

Le Ministre représente de plus que la ville de Medicine Hat, par une résolution de son conseil municipal, a demandé, pour l'emplacement d'un parc, une partie de la moitié nord de la section 32, township 12, rang 5, à l'ouest du 4e méridien, antérieurement réservée pour la police à cheval du Nord-Ouest.

Comme ces terrains ne sont plus requis pour les fins de la police, le Ministre recommande qu'en vertu des dispositions du paragraphe (d) de l'article 76 de la *Loi des Terres fédérales* cette partie de la section 32 située au nord de la branche sud de la rivière Saskatchewan, et cette partie du quart nord-ouest de la section 33 située à l'ouest de la rivière, dans le township 12, rang 5, à l'ouest du 4e méridien, contenant 176.50 acres, soient mises en réserve et affectées aux fins d'un parc et que la concession à la ville de Medicine Hat en soit autorisée pour les fins ci-dessus mentionnées.

Le Ministre fait observer qu'il se trouve ci-annexé un tracé d'une partie des townships 12 et 13, rang 5, à l'ouest du 4e méridien, indiquant en rose les terres qui ne sont plus requises pour les fins de la police à cheval du Nord-Ouest, et en rose haché de vert les terres qu'on se propose de céder à la ville de Medicine Hat.

Le Ministre soumet cette recommandation pour approbation.

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 14 janvier 1913, que les règlements de mines de quartz, approuvés par un arrêté en conseil du 13 août 1908, prescrivant qu'un claim minier doit être marqué de deux poteaux légaux placés aussi près que possible sur la ligne du filon ou de la veine, et qu'un poteau sera aussi planté à l'endroit où le minerai a été découvert.

Le Ministre ajoute que par un arrêté en conseil daté le 8 mai 1912 W. Tees Curran et L. O. Armstrong, de Montréal, ont été autorisés à jalonner en leur propre nom et en celui d'autres personnes, au cours de l'année 1912, cinquante claims miniers sur tout terrain disponible situé sur les îles de la Baie d'Hudson, près de la rive est, dans le district provisoire d'Ungava, et d'en obtenir l'inscription en vertu des dispositions des règlements.

En vertu des dispositions de l'arrêté en conseil susdit, M. Curran a maintenant présenté au Ministère de l'Intérieur des demandes d'inscription pour trente claims miniers situés sur trois petites îles de la baie d'Hudson. Il a été représenté que ces îles ne sont pas boisées et comme on ne peut les atteindre que par le chemin de terre il a été impossible d'y transporter pour marquer ces claims le nombre de poteaux suffisant de la grosseur prescrite par les règlements. Pour cette raison ces

claims ont été marqués au moyen de cairns de pierres au lieu des poteaux ordinaires prescrits par les règlements.

Le Ministre représente que d'après les affidavits déposés au Ministère de l'Intérieur il appert que les requérants ont véritablement découvert des minéraux sur les îles en question, qu'ils ont vraiment essayé de se conformer aux dispositions des règlements, et qu'ils ont encouru une forte dépense en rapport avec l'expédition de découverte.

Par conséquent, le Ministre demande l'autorisation d'exempter les requérants de l'observation des formalités ci-dessus mentionnées en rapport avec le jalonnage et d'accorder l'inscription des claims en question, pourvu que les requérants aient observé les autres stipulations des règlements.

Le comité soumet cette demande pour approbation.

PRÉSENT :

SON EXCELLENCE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 3 août 1911, qu'en vertu des dispositions de la loi d'irrigation la compagnie dite "The Southern Alberta Land Company, Limited," a été autorisée à construire un système d'irrigation tirant l'eau de la rivière Bow à un endroit dans le quart sud-est de la section 31, township 21, rang 25, à l'ouest du 4e méridien, et que sous l'empire de cette autorisation la compagnie a arpenté et partiellement creusé un canal à partir du dit endroit jusqu'à et à travers le terrain qui doit être irrigué ;

Le Ministre ajoute qu'en vertu de l'autorité que lui confère l'article 54 de la Loi d'irrigation des règlements ont été établis pour la concession gratuite du droit de passage des canaux et fossés d'irrigation, ce droit de passage comprenant en outre de la largeur du canal ou fossé une lisière marginale n'excédant pas vingt pieds d'un côté et dix pieds de l'autre côté du dit canal ou fossé, pour en permettre la mise en opération et les réparations. Les dits règlements autorisent aussi la concession d'une plus grande largeur de terrain, mais n'excédant pas dix acres en tout, lorsqu'il est démontré que ce terrain est nécessaire pour le bon fonctionnement du système d'irrigation ;

Vu les dimensions du canal que creuse actuellement la compagnie susdite, la profondeur de la tranchée à certains points et la hauteur du remblai à d'autres endroits, il a été jugé nécessaire dans certains cas d'inclure une plus grande superficie dans le droit de passage afin de pouvoir disposer des déblais et faciliter l'entretien des travaux ;

Toutes les terres mentionnées ci-dessous sont occupées en vertu d'inscriptions de homestead ou de préemption et les inscrits ont dans chaque cas cédé par convention à la compagnie dite "Southern Alberta Land Company, Limited," le droit de passage pour son canal sur ces terres, les dites conventions étant maintenant enregistrées au ministère de l'Intérieur ;

Par conséquent, le Ministre recommande que l'autorisation soit donnée de concéder gratuitement à la compagnie dite "Southern Alberta Land Company, Ltd.," par permis d'occupation, le droit de passage pour son entreprise sur et à travers les terres ci-dessous décrites, mais n'excédant pas la superficie mentionnée dans chaque cas, ainsi qu'indiqué sur le plan des travaux déposé au bureau du Commissaire d'irrigation et au ministère de l'Intérieur et enregistré au bureau du registraire des titres de terres à Calgary, dans la province d'Alberta, sous la désignation "Irr. 158," cette concession demeurant valide tant que les travaux ci-dessus mentionnés serviront aux fins d'irrigation, savoir :—

1. Le quart sud-ouest de la section 30, township 13, rang 17, à l'ouest du 4e méridien, comprenant 20.02 acres, plus ou moins.

2. Le quart nord-est de la section 28, township 13, rang 18, à l'ouest du 4e méridien, comprenant 11.31 acres, plus ou moins.

3. Le quart sud-ouest de la section 17, township 14, rang 19, à l'ouest du 4e méridien, comprenant 11.20 acres, plus ou moins.

4. Le quart sud-ouest de la section 31, township 13, rang 18, à l'ouest du 4e méridien, comprenant 14.31 acres, plus ou moins.

5. Le quart nord-est de la section 24, township 14, rang 20, à l'ouest du 4e méridien, comprenant 11.10 acres plus ou moins.

6. Le quart sud-est de la section 23, township 13, rang 18, à l'ouest du 4e méridien, comprenant 21.35 acres plus ou moins.

7. Le quart nord-ouest de la section 28, township 13, rang 18, à l'ouest du 4e méridien, comprenant 13.67 acres plus ou moins.

8. Le quart sud-est de la section 31, township 13, rang 18, à l'ouest du 4e méridien, comprenant 14.31 acres plus ou moins.

9. Le quart sud-ouest de la section 32, township 13, rang 18, à l'ouest du 4e méridien, comprenant 10.38 acres plus ou moins.

10. Le quart sud-ouest de la section 9, township 14, rang 19, à l'ouest du 4e méridien, comprenant 12.21 acres plus ou moins.

LE Ministre de l'Intérieur représente, le 4 janvier 1913, que M. Joseph St-Germain a demandé la concession gratuite du lot n° 42, dans l'établissement de Shaftsbury, province d'Alberta, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des Indiens.

Le Ministre ajoute que la preuve soumise démontre que le requérant, par l'entremise de son agent, M. Charles St-Germain, occupait le terrain en question à la date de la conclusion du traité indien n° 8 à l'été de 1899.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe (c) de l'article 76 de la Loi des terres fédérales, il soit autorisé à concéder gratuitement à M. LE Ministre de l'Intérieur représente, le 7 janvier 1913 que M. H. T. Holness s'est établi sur un terrain non arpenté situé sur la rive nord de la branche nord du creek Sheep dans la réserve forestière des Montagnes Rocheuses, dans la province d'Alberta, avant l'établissement de cette réserve, dans l'attente que ces terres seraient finalement arpentées et ouvertes aux colons, et qu'il pourrait obtenir l'inscription de homestead pour un quart de section. M. Holness représente que les fonctionnaires du ministère de l'Intérieur l'ont assuré que l'inscription de homestead lui serait accordée dès que ces terres seraient arpentées; qu'il a fait des améliorations considérables sur ce terrain, soit une maison, une étable, des clôtures et des travaux de défoncement; qu'il y a résidé depuis 1907 et que si la réserve n'avait pas été établie, il aurait maintenant droit aux lettres patentes de ce terrain.

Le Ministre ajoute que ce terrain pouvant avoir une valeur considérable pour l'emmagasinage de l'éau, il ne croit pas sage d'en déposséder la Couronne et, par conséquent, des négociations ont été ouvertes avec M. Holness pour s'assurer à quelles conditions il céderait les droits à ce terrain qu'il peut avoir acquis. M. Holness a consenti à céder ses droits au terrain en question sur paiement d'une somme de \$1,600, soit \$10 l'acre, avec la permission de s'inscrire pour un homestead d'un quart de section de terres fédérales ailleurs disponibles et d'en obtenir les lettres patentes sans être tenu à l'accomplissement d'autres obligations de homestead.

Le Ministre recommande que cette convention soit approuvée et demande l'autorisation de payer à M. Holness la somme de \$1,600 tirée du crédit pour la protection des forêts dans le Manitoba, la Saskatchewan, l'Alberta, etc., et d'accorder à M. Holness les lettres patentes d'un quart de section de terres fédérales disponibles dès qu'il aura cédé les droits qu'il peut avoir au terrain sur lequel il est établi.

Le comité soumet cette recommandation pour approbation.

Et attendu qu'en vertu de l'article 13 du chapitre 99 des Statuts révisés du Canada, le lieutenant-gouverneur du Manitoba en conseil peut, du consentement du Gouverneur en conseil, lorsqu'il est jugé opportun de le faire dans l'intérêt des établissements et de la colonisation, ordonner que des chemins soient ouverts sur les terres non couvertes par des patentes, qu'elles soient occupées ou non, et soit que ces terres aient ou non été prises comme établissements, par préemption, ou mises à part ou réservées au profit ou à l'usage de qui que ce soit ; et ces chemins peuvent ensuite être transférés par le Gouverneur en conseil à la Couronne pour la province ;

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisible et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration, le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Thursday, the 6th day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS by clauses nineteen and twenty of The Dominion Lands Act which Act came into force 1st September, 1908, provision was made concerning the cases of deceased and insane homesteaders, relieving the legal representatives of the residence requirement and making certain other provisions ;

And whereas The Dominion Lands Act does not apply to the Railway Belt of British Columbia, which is governed by the "Regulations for the disposal of Dominion Lands within the Railway Belt in the Province of British Columbia," established by Order in Council of 17th September, 1889, and amendments thereto, and the legal representatives of deceased and insane homesteaders have not the relief accorded to similar cases on the Prairies ;

Therefore the Governor General in Council is pleased to order as follows :—

The regulations for the disposal of Dominion land within the Railway Belt in the Province of British Columbia, hereinbefore referred to, are hereby amended to provide that all cases of deceased and insane homesteaders in the said Railway Belt shall be dealt with in accordance with the following provisions, namely :—

Deceased Homesteaders.

In the event of the death of an entrant for a homestead before the completion of the requirements for the obtaining of letters patent therefor, his legal representative shall only be required to fulfil the cultivation conditions and to erect a habitable house in order to entitle him to obtain letters patent, after the expiration of three years from the date of entry or commencement of the homesteader's residence ; or the legal representative may assign the homestead to a person eligible to obtain a homestead entry ; and the assignee shall, after (a) the expiration of three years from the date of entry or commencement of the homesteader's residence (b) holding the homestead for his own exclusive use and benefit from the date of the assignment, and (c) com-

pleting the residence and cultivation requirements in the same manner as the person who made the entry would have been required to complete them, be entitled to letters patent for the homestead.

Insane Homesteaders.

In the event of any person who obtained entry for a homestead becoming insane or mentally incapable, and by reason of such insanity or mental incapacity, unable to complete the requirements necessary for the obtaining of letters patent therefor, the guardian or committee of the said person, or any person who, in the event of his death, would be entitled as his legal representative to do so, shall only be required to fulfil the cultivation conditions and to erect a habitable house before the issue of letters patent ; provided that the letters patent shall not issue until the expiration of three years from the date of entry or commencement of the homesteader's residence.

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Governor General in Council, in virtue of the provisions of section 34 of The Dominion Lands Act, is pleased to fix and prescribe the following regulations to govern the sale of lands for irrigation purposes within the tract hereunder defined, the same to be substituted for and to supersede the existing regulations :—

REGULATIONS FOR THE SALE OF LAND REQUIRED IN
CONNECTION WITH ANY SYSTEM OF IRRIGATION.

1. The sale of land for reclamation by means of irrigation, or in connection with any system of irrigation works, shall be confined to land within the following described territory :—

Comprising that portion of the Province of Alberta which lies to the south of the north boundary of townships numbered twenty-eight (28).

Comprising that portion of the Province of Saskatchewan described as follows, viz.:—

Commencing at the intersection of the north boundary of township 28 with the fourth meridian ; thence easterly following the north boundary of townships numbered 28 to the west bank of the South Saskatchewan river ; thence southerly along the said west bank of the South Saskatchewan river to a point opposite Aiktow creek ; thence across the said South Saskatchewan river to the mouth of the said Aiktow creek ; thence up the southerly side of Aiktow creek and across the divide between the said creek and the Qu'Appelle river to the head of the said Qu'Appelle river ; thence down the southerly side of the Qu'Appelle river to its intersection with the third meridian ; thence southerly along the said third meridian to the north boundary of township 12 ; thence easterly along the north boundary of townships numbered 12 to the west boundary of range 24, thence southerly along the said west boundary of range 24, to the north boundary of township 8 ; thence easterly along the north boundary of townships numbered 8 to the west boundary of range 18 ; thence southerly along the said west boundary of range 18 to the north boundary of township 4 ; thence easterly along the north boundary of townships numbered 4 to the west boundary of range 15 ; thence southerly along the west boundary of range 15 to the international boundary ; thence westerly along the said international boundary to the fourth meridian ; thence northerly along the fourth meridian, to the point of commencement.

2. Lands within the tract described in paragraph one (1) may be sold for irrigation purposes on the following terms and conditions :—

(a) No agreement for sale shall be made unless the purchaser shall have received authorization for the

construction of works for the irrigation of such portion of the lands so purchased as may be satisfactory to the Minister of the Interior, and in accordance with the condition set forth in clauses (b) and (c) of these regulations.

(b) It shall be a condition of all sales made under these regulations that at least fifty per cent (50%) of the area sold shall be irrigated; provided, however, that when the area sold does not exceed one quarter section, the minimum area to be irrigated shall be twenty-five per cent (25%) of the tract sold, but no such sale shall be made to any person who owns or holds under homestead or pre-emption entry in excess of one quarter section of land within twenty (20) miles of the land which he applies to purchase under these regulations, and only one such sale may be made to any one person.

(c) Sales of areas in excess of one section may be made only upon the authority of the Governor-General in Council, and in such cases such additional conditions will be made as may be in the public interest in each case.

(d) All sales shall be at the rate of five dollars (\$5.00) per acre, payable in five equal annual instalments, the first of which shall become due and payable sixty days from the date upon which the sale is authorized. Interest at five per cent (5%) per annum will be charged from the date of the sale.

(e) It shall be a condition of all sales that the irrigation works shall be completed to the satisfaction of the Minister of the Interior and that the lands shown as irrigable shall actually be irrigated for at least one season before letters patent are issued.

(f) If at the end of the period which may be granted for the construction of the irrigation works, such works have not been completed, the agreement to sell the lands may be cancelled and any amount paid on account thereof, or works constructed in connection with such irrigation system, may be forfeited to the Crown.

3. All applications for water rights for irrigation purposes must be made to the Commissioner of Irrigation, at Calgary, Alberta, and such applications must be accompanied by a description of the lands applied for in connection with such water rights.

4. All applications for the purchase of lands for irrigation purposes under these regulations must be made to the Agent of Dominion Lands for the district in which such lands are situated.

[2341]

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 3rd day of October, 1911.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

THE Minister of the Interior submits, under date the 2nd October, 1911, that under the authority of the Order in Council dated the 27th June, 1889, that portion of Section 32, lying north of the river, and the N.W. $\frac{1}{4}$ of Section 33, lying west of the river, in Township 12; the S.W. $\frac{1}{4}$ of Section 5, and the E. $\frac{1}{2}$ of Section 5, lying west of the river, in Township 13, all in Range 5, west 4th Meridian, were set aside as a reserve for the North-West Mounted Police at Medicine Hat.

The Comptroller of the Royal North West Mounted Police having recently advised the Minister that the lands above described are no longer required for police purposes, the Minister recommends that the reservation authorized by the Order in Council above referred to be removed from the said lands.

The Minister further submits that the City of Medicine Hat, by a resolution of the city council, has applied, for park purposes, for part of the N. $\frac{1}{2}$ of Section 32, Township 12, Range 5, West 4th Meridian, formerly reserved for the North-West Mounted Police.

The Minister recommends, as the lands are no longer required for police purposes, that under the provisions of sub-section (d) of section 76 of The Dominion Lands Act, that portion of Section 32, lying North of the South branch of the Saskatchewan River, and that

portion of the N.W. $\frac{1}{2}$ of Section 33, lying West of the River, in Township 12, Range 5, West 4th Meridian, containing 176.50 acres, be set apart and appropriated for park purposes, and that a grant of the same be authorized, to the City of Medicine Hat, for the above mentioned purposes.

The Minister observes that attached hereto is a tracing of a portion of Townships 12 and 13, Range 5, West 4th Meridian, showing thereon, coloured pink, the lands which are no longer required for Royal North West Mounted Police purposes, and coloured pink and hatched green the lands it is proposed to grant to the City of Medicine Hat.

The Committee submit the same for approval.

32-4

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of January, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 14th January, 1913, that the Quartz Mining Regulations, approved by Order in Council dated 13th August, 1908, provide that a mineral claim shall be marked by two legal posts placed as near as possible on the line of the lode or vein, and that a post shall also be planted where mineral in place has been discovered.

The Minister further submits that by an Order in Council dated 8th May, 1912, authority was given to W. Tees Curran and L. O. Armstrong, of Montreal, to stake out on behalf of themselves and others, during the year 1912, fifty mineral claims on any available land situated on the islands in Hudson's Bay, near the eastern shore, in the Provisional District of Ungava, and to obtain entries therefor under the provisions of the regulations ;

That Mr. Curran has now submitted to the Department of the Interior applications for entries, under the provisions of the above Order in Council, for thirty mineral claims situated on three small islands in Hudson's Bay, and he has represented that these islands are devoid of timber, and as they were reached by the overland route it was not possible to carry a sufficient number of posts of the size prescribed by the regulations with which to mark these claims ; that for this reason the claims in question were marked on the ground by erecting cairns of stones in lieu of placing the legal posts required by the regulations ; and that no posts were placed at the point where mineral in place was discovered.

The Minister states that it would appear from the affidavits filed in the Department of the Interior that the applicants have actually discovered mineral in place on the locations in question, that there has been on their part a *bona fide* attempt to comply with the conditions of the regulations, and that a very large expenditure has been incurred in connection with the expedition of discovery.

The Minister, therefore, recommends that he authorized to waive observance of the formalities above referred to in connection with staking, and to grant entries for the claims in question, provided the applicants have otherwise complied with the requirements of the regulations.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of January, 1913

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 18th November, 1912, that authority has been granted to "The Southern Alberta Land Company, Limited," under the provisions of The Irrigation Act, to construct a reservoir in townships thirteen and fourteen, range ten, west of the fourth meridian ; that the said reservoir comprises all, or part, of certain quarter sections which are now held under homestead or pre-emption entries and that the successful operation of the said company's irrigation system requires that the land comprised in the said reservoir site shall be owned or controlled by the company.

The Minister further states that in some cases all of the land so held under entry is required for reservoir purposes ; in other cases the greater portion of the land so held is included in the entries and, in his opinion, the remaining portions are not sufficient for

the support of a family by ordinary farming operations.

The Minister, therefore, recommends that "The Southern Alberta Land Company, Limited, be permitted to acquire, by purchase from the respective entrants, the land shown in the schedule appended hereto and to take quit-claim deeds, or surrenders, from the said entrants for all of their right or interest in the said land, the said quit-claim deeds, or surrenders, to be filed by the said company with the Minister of the Interior ; that upon the filing, as aforesaid, of quit-claim deeds, or surrenders, in evidence of the extinction of all the right and interest of the respective entrants in the said land, letters patent for such land shall be granted to "The Southern Alberta Land Company, Limited", without further payment or condition, and that each such entrant who so surrenders his right and interest in the land shall have the privilege of acquiring a similar area of land elsewhere under homestead or pre-emption entry ; and that the residence duties performed by each such entrant upon the surrendered land shall be counted towards the duties required by law upon the lands hereafter to be selected by him in lieu of the surrendered land.

The Minister observes that the land affected and the names of the respective entrants are as follows and are further shown on the plan annexed hereto :—

1. The south half of section thirty-four, township thirteen, range ten, west of the fourth meridian, which is held by Milton D. Clark under homestead and pre-emption entries ;

2. The west half of section thirty-five, township thirteen, range ten, west of the fourth meridian, which is held by Max Con under homestead and pre-emption entries ;

3. The north half of section thirty-four, township thirteen, range ten, west of the fourth meridian, which is held by James Bell under homestead and pre-emption entries ;

4. The northeast quarter of section thirty-three, township thirteen, range ten, west of the fourth meridian, which is held by John Stewart under homestead entry ;

5. The northwest quarter of section thirty-three, township thirteen, range ten, west of the fourth meridian, which is held by Samuel Tucker under homestead entry ;

6. The southeast quarter of section thirty-three, township thirteen, range ten, west of the fourth meridian, which is held by Edward Altman under homestead entry.

The Minister further observes that the east half of section thirty-five, township thirteen, range ten, west of the fourth meridian, is held by A. M. Lyon, the northeast quarter of the said section under pre-emption and the southeast quarter under homestead entry ; that the reservoir hereinbefore referred to covers 110.8 acres of the said northeast quarter.

The Minister further recommends that "The Southern Alberta Land Company, Limited," be permitted to acquire, by purchase, all of the right and interest of the said A. M. Lyon in that portion of the northeast quarter of section thirty-five, township thirteen, range ten, west of the fourth meridian, covered by the said reservoir, viz : one hundred and ten and eight one-tenth acres (110.8) more or less, and to take a quit-claim deed, or surrender, from the said A. M. Lyon for all of his right and interest therein, such quit-claim deed, or surrender, to be filed by the said company with the Minister of the Interior ; that upon the filing of such evidence of surrender of the entrants' right and interest, letters patent shall issue to the said company for the land so surrendered, without further payment or condition, and the said A. M. Lyon shall have the privilege of acquiring one quarter section of land elsewhere, under the regulations governing pre-emption entries ; *provided* that no residential duties shall be required from the said A. M. Lyon upon the land to be so selected by him.

The Committee, concurring in the foregoing, submit the same for approval.

THE Minister of the Interior submits, under date the 8th January, 1913, that in June, 1906, the fractional S. $\frac{1}{2}$ of Section 23, Township 11, Range 15, west of the Fourth Meridian, lying south of Belly River and containing 79 acres, was sold by public auction to Mr. George E. Hunter at the current rate of \$3.00 an acre, payment in full for which has since been made.

The Minister recommends, as it has since transpired that Mr. Hunter was, at the time of the sale, an employee of the Department of the Interior, that, under the provisions of section 84 of The Dominion Lands Act, the sale of the above land to Mr. Hunter be confirmed.

The Committee submit the same for approval.

WHEREAS application has been made on behalf of the Ruthenian Catholic Mission of St. Basil the Great in Canada for a grant of 3.71 acres of land comprised in the north west corner of the S. W. $\frac{1}{4}$ of Section 22, Township 26, Range 32, west of the Principal Meridian, for church purposes ;

[1895]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 3rd day of October, 1911.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Minister of the Interior states under date 3rd August, 1911, that authority has been granted under the provisions of The Irrigation Act to the Southern Alberta Land Company, Limited, to construct a system of irrigation works taking water from Bow river at a point on the southeast quarter of Section thirty-one, Township twenty-one, Range twenty-five, west of the Fourth Meridian, and that, pursuant to such authority, the said company has surveyed and partly constructed a canal from the said point of intake to and across the tract of land to be irrigated ;

The Minister observes that by authority vested in him by section 54 of The Irrigation Act, regulations have been made for granting free right of way for irrigation canals and ditches, such right of way to include, in addition to the width of the canal or ditch, a marginal strip not exceeding twenty feet on one side and ten feet on the other side of the said canal or ditch, to give access to the same for purposes of operation and repairs ; provision having also been made in the said regulations for granting a greater width, not exceeding ten acres in all, when such shall be shown to be necessary for the effective operation of the irrigation system ;

Owing to the size of the canal now under construction by the aforesaid company, to the depth of the excavation at certain points and to the height of the fill at other points, it has been found necessary in some cases to allow a greater area to be included in the right of way in order to permit of the disposal of the excavated material and to afford adequate facilities for the maintenance of the works ;

All of the lands to which reference is hereinafter made are held under homestead or pre-emption entry and the entrants have in each case executed easements in favour of the Southern Alberta Land Company, Limited, granting right of way of the canal over the lands, the said easements being now registered in the Department of the Interior,—

The Minister, therefore, recommends that authority be given for granting free right of way, by license of occupation, to the Southern Alberta Land Company, Limited, for its works, through, over and upon the lands hereinafter described, not exceeding the area mentioned in each case and as shown on the plan of the said works filed in the office of the Commissioner of Irrigation and in the Department of the Interior and registered in the office of the Registrar of Land Titles at Calgary, in the province of Alberta, as Irr. 158, such grant to remain in effect for so long as the works herein referred to are used for irrigation purposes, viz :—

1. The southwest quarter of Section thirty, Township thirteen, Range seventeen, west of the Fourth Meridian, comprising twenty and two one-hundredths acres (20.02) more or less.

2. The northeast quarter of Section twenty-eight, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising eleven and thirty-one one-hundredths acres (11.31) more or less.

3. The southwest quarter of Section seventeen, Township fourteen, Range nineteen, west of the Fourth Meridian, comprising eleven and twenty one-hundredths acres (11.20) more or less.

4. The southwest quarter of Section thirty-one, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising fourteen and thirty-one one-hundredths acres (14.31) more or less.

5. The northeast quarter of Section twenty-four, Township fourteen, Range twenty, west of the Fourth Meridian, comprising eleven and ten one-hundredths acres (11.10) more or less.

6. The southeast quarter of Section twenty-three, Township thirteen, Range eighteen, west of the Fourth

Meridian, comprising twenty-one and thirty-five one-hundredths acres (21·35) more or less.

7. The northwest quarter of Section twenty-eight, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising thirteen and sixty-seven one-hundredths acres (13·67) more or less.

8. The southeast quarter of Section thirty-one, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising fourteen and thirty-one one-hundredths acres (14·31) more or less.

9. The southwest quarter of Section thirty-two, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising ten and thirty-eight one-hundredths acres (10·38) more or less.

10. The southwest quarter of Section nine, Township fourteen, Range nineteen, west of the Fourth Meridian, comprising twelve and twenty one-hundredths acres (12·21) more or less.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 16th day of January, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS a certified copy of an Order of the Lieutenant-Governor of Manitoba in Council, numbered 19749 and dated the 25th of October, 1912, has been filed in the Department of the Interior, requesting the Government of the Dominion of Canada to reserve the land required for a public highway through the south-east quarter of Section 30, Township 23, Range 4, east of the Principal Meridian ;

And whereas under section 13 of chapter 99 of the Revised Statutes of Canada, the Lieutenants-Governor of Manitoba in Council may, with the consent of the Governor in Council, where it is deemed advisable to do so for the purpose of settlement and colonization, direct roads to be opened through any unpatented lands, whether occupied or not, and whether such lands have been homesteaded, pre-empted, set apart or reserved for the benefit or use of any person, and the Governor in Council may thereafter on the report of the Minister of the Interior transfer such roads to the Crown in the right of the Province ;

And whereas the south-east quarter of Section 30, Township 23, Range 4, east of the Principal Meridian, in the province of Manitoba, is unpatented,—

Therefore the Governor General in Council is hereby pleased to authorize the Minister of the Interior to reserve therefrom the land comprised in the public highway as shown on the plan and described in By-law 35 of the Rural Municipality of Bifrost, passed on the twelfth day of October, 1910, which accompanied the copy of the Order of the Lieutenant-Governor of Manitoba in Council hereinbefore referred to, that is to say, a parcel of land described as follows :—

Beginning at the south-west corner of the said quarter section, thence northerly along the westerly boundary of the said quarter section a distance of 40 chains more or less to the north-west corner of the said quarter section ; thence easterly along the northerly boundary of the said quarter section a distance of one chain ; thence southerly and parallel to the said westerly boundary a distance of 40 chains more or less to the intersection with the southerly boundary of the said quarter section ; thence westerly along the said southerly boundary a distance of one chain more or less to the place of beginning, the said parcel containing an area of four acres more or less.

The Governor General in Council, in accordance with the provisions of section 13 of chapter 99 of the Revised Statutes of Canada, 1906, and on the report of the Minister of the Interior, is further pleased to order that the said public road or highway, as above described, be transferred to the Crown in the right of the Province of Manitoba.

Thursday, the 16th day of January, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 7th January, 1913, that Mr. H. T. Holness located on certain unsurveyed land on the north side of the north branch of Sheep Creek, in the Rocky Mountains Forest Reserve, in the Province of Alberta, prior to the reservation being established, with the expectation that the lands would be finally surveyed and thrown open for homestead entry, and that he would obtain entry for a quarter section. Mr. Holness represents that he was given assurance from officers of the Department of the Interior that entry would be granted him so soon as the land was surveyed ; that he has made improvements upon the said lands, consisting of a house, stable, fencing and breaking ; that he has resided upon the land since 1907, and, if the reservation had not been established, would now be entitled to letters patent for the land as a homestead.

The Minister further states that, as the land upon which Mr. Holness is located may be of considerable value for water storage purposes, it is not considered advisable that it should be alienated from the Crown, and negotiations were therefore entered into with Mr. Holness to ascertain upon what conditions he would be prepared to surrender any rights that he might have acquired to the land ; that Mr. Holness has agreed to execute a surrender of his rights to the land in question on payment of \$1,600, being \$10 per acre, and upon his being permitted to make homestead entry for a quarter-section of available Dominion Lands elsewhere, and obtaining letters patent therefor without being required to undertake any further homestead duties.

The Minister recommends that this arrangement be approved, and that he be authorized to pay the sum of \$1,600 to Mr. H. T. Holness from the vote for the protection of timber in Manitoba, Saskatchewan, Alberta, &c., and to grant him letters patent for a quarter-section of available Dominion Lands, upon his executing a surrender of any rights he may have to the land upon which he located.

The Committee submit the same for approval.
